

**ISGIDAR**  
**International Study Group Investigating Drugs as Reinforcers**  
**Annual Scientific Conference**  
**Majestic Ballroom, Sheraton Downtown Denver**  
**1550 Court Place, Denver, CO 80202**

**June 17<sup>th</sup>, 2023**

- 7:30 – 8:30            **Breakfast and Registration**
- 8:30 – 8:40            Opening Remarks
- 8:40 – 9:10            Bill Fantegrossi  
*Favorite Paper: Flory GS and Woods JH (2003) The ascending limb of the cocaine dose-response curve for reinforcing effect in rhesus monkeys. Psychopharm 166: 91-94.*
- 9:10 – 9:40            Shawn Flynn and Charles P. France  
*Effects of gabapentin on self-administration in rats*  
**Woolverton Travel Award Recipient (Sponsored by Karen Anderson, Michael Nader, Sally Huskinson)**
- 9:40 – 10:10          Shelley Edwards, Sally Huskinson, Bruce E. Blough, Kevin B. Freeman  
*Self-administration of fentanyl and the fluorinated fentanyl analogue, NFEPP, by rhesus monkeys*  
**Woolverton Travel Award Recipient (Sponsored by Karen Anderson, Michael Nader, Sally Huskinson)**
- 10:10 – 10:30        **Coffee Break**
- 10:30 – 11:00        Conor Murray, Alexa Torrens, Stephanie Lake, Timothy Fong, Elisa Pabon, Brittany Henry, Daniele Piomelli, Ziva D. Cooper  
*Pharmacokinetics of THC and cannabis abuse liability in men as a function of cannabis use frequency*  
**ISGIDAR Travel Award Recipient (Sponsored by Suzette Evans and Richard Foltin)**
- 11:00 – 12:00        Elise Weerts  
*Modeling problem drinking in laboratory primates: alcohol reinforcement, cues, and persistence of seeking behaviors*  
**President's Lecture**

- 12:00 – 1:00      **Lunch**
- 1:00 – 1:30      Paul Czoty  
*(Trying to find) effects of cocaine withdrawal on ethanol self-administration in rhesus monkeys*
- 1:30 – 2:00      Mia Allen and Mike A. Nader  
*A comparison of the reinforcing efficacy of cocaethylene and cocaine in rhesus monkeys responding under a progressive-ratio schedule of reinforcement*
- 2:00 – 2:30      Yasaman Razavi and Steve Kohut  
*Effects of buspirone on oxycodone vs. milk choice in nonhuman primates*
- 2:30 – 2:50      **Afternoon Break**
- 2:50 – 3:20      Richard A. Meisch, T.H. Gomez, and S.D. Lane  
*Behavioral economics of polydrug abuse: Effects of price on choice between drugs*
- 3:20 – 3:50      Kevin Murnane and Bo Wood  
*Psychedelics modulate the behavioral effects of methamphetamine*
- 3:50 – 4:30      **Business Meeting**
